Adela ★★★★★ Reviews

🎓 **IGCSE Tutor | Massachusetts Institute of Technology | MSc in Applied Mathematics**

I bring 6 years of experience teaching GCSE Computer Science, A-Level ICT, and IB Computing, supported by an MSc in Computing Technologies from Uppsala University and a BSc in Computer Science from Lund University. My expertise includes programming, cybersecurity, and digital design.

Teaches: IGCSE Maths   GCSE Maths   IB Maths

Curriculum: GCSE   IGCSE   IB

Qualifications

Massachusetts Institute of Technology: MSc in Applied Mathematics (2018-2020)

Stanford University: BSc in Mathematics (2014-2018)

Vetted Tutor 💬

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

In my 3 years of tutoring, I have worked with students from various educational backgrounds, supporting them in IGCSE Maths and other international curricula such as GCSE and IB. My expertise includes preparing students for key examinations and strengthening their mathematical understanding in areas like algebra, geometry, and statistics.

I have successfully guided learners through challenging topics, ensuring they gain confidence and improve their academic performance. My experience has been shaped by working with students from diverse regions, offering tailored support to help them meet their specific goals in mathematics.
